

We are searching for an Orthopaedic Surgeon to join the Chickasaw Nation Health System in Ada. We have a trained Ortho PA in place and ready to assist the new Orthopaedic Surgeon. The purpose of this position is to provide diagnosis and treatment of congenital deformities, trauma, infections, tumors and metabolic disturbances of the musculoskeletal system. Hospital specialty support includes Family Practice, Internal Medicine, Pediatrics, Obstetrics and Gynecology, General Surgery, Anesthesiology, Psychiatry, and Endocrinology. A new 72-bed hospital facility will be completed by the end of 2009.

Candidate should be a graduate of an accredited Medical or Osteopathic School and have completed a U.S. accredited Orthopaedic Surgery residency program. Must have a state medical license and possess or be eligible for an Oklahoma State Medical License. Preferred qualifications include Board Certification in Orthopaedics and two to five years post-residency experience.

Excellent employee benefits include medical /dental insurance at no cost to the employee, very low-cost family coverage, 401K with 5% matching, annual incentive program, vision insurance and a pharmacy prescription card benefit. Extended physician benefits include generous annual and sick leave accrual in addition to thirteen tribal holidays. Many other perks including relocation and CME time off and expenses.

Ada is nestled in the green hill country of south central Oklahoma. With a population of almost 20,000, this growing city has a variety of amenities including local restaurants, shops, movie theatre and an increasing number of recognizable branded businesses (i.e., The Home Depot, Starbucks, etc.). Ada is only 1 hour from a metropolitan area. The Oklahoma City Airport is approximately 1.5 hours away and the DFW (Dallas/Ft. Worth) International Airport is only 2.5 hours.

The Chickasaw Nation Health System offers competitive employment compensation, excellent benefits, a stable environment and an appreciative patient population. Malpractice is covered by Federal Tort Law.
